Grand Forks Noon Club

Grand Forks Noon Rotary Membership Application

I am interested in becoming a member of the Grand Forks Noon Rotary Club. I understand that I need to attend as many of the weekly Tuesday noon meetings as possible. I will also be responsible for the payment of regular dues currently in the amount of \$150 per quarter. These dues include your noon meals, district dues, national dues and magazine subscription.

When you join Grand Forks Rotary, you are assigned a classification that is descriptive of your vocation or career. The purpose of classification is to insure that the club represents a variety of industries and interests. I believe my classification would be:

_____.
